It will be seen from the foregoing Govt orders passed from time to time quoted above, that the establishment of Probationary Nurses is to consist of only two Indian women on a Salary of Rs 15 pay + 8 (Ration allow^ce) + 2 (clothing allow^ce) and that it does not appear to be intended that two Indian women on the Salary preferred to should be entertained in addition to the two Probationary Nurses on Rs 20 sanctd in Cf.O dt 22.8.05 about who the Senior Surgeon thinks should be Europeans or Eurasians. The Senior Surgeon now accordingly enquires whether
